2. The Labour Mobility Issue

Labour mobility in the countries of the European Union **is basically in line with a professional promotion strategy** and not with a survival strategy.

In this context, when we speak of mobility, **we are considering both migration and recurrent mobility** (forms of mobility that imply long computing journeys, overnight stays, temporary stays, etc.)

3. Mobility Strategies

STATE Strategy

- a. Europe 2020 Strategy
- b. Operational Programme Cohesion Fund 2014 - 2020

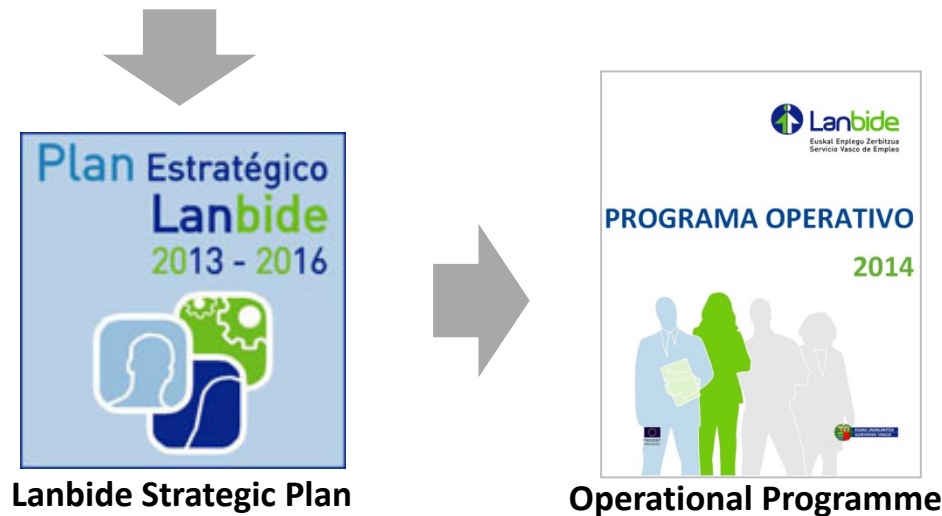

BASQUE Strategy

- c. Spanish Strategy 2011 – 2014. (PAPE)
- d. Job Stimulus Strategy 2014-2016
- e. Youth Employment and Entrepreneurial Strategy 2013-2016

BASQUE Strategy

- f. Basque Strategy 2011-2014
- g. Basque Government's Job Creation Scheme (28/01/2014)

They all contains positionings / recommendations / measures regarding labour mobility
